

Allround Partner Program

As a successful player on the telecom market one of the fundamentals of our global expansion is an extensive partner network.

Allround Partner Program has been established to give a frame to a mutual fruitful cooperation at different partnership levels in order to offer the highest quality level of solutions and services to our clients.

Allround is looking for worldwide partners

- Reseller partner: to market and promote the Allround product
- Value Added Reseller: to provide services that complements the Allround product, in a timely and professional manner and abide by the highest professional and quality standards.
- Integrator Partner: to integrate Allround product and provide full range of services.

Benefit from Allround Partner Certification program!

What do we offer?

- Global visibility
- Comprehensive Training Program
- Trial versions of the newest Allround products
- Promotions
- Branding, marketing and PR activities
